That day was special day, because it was Valentine's day. „Do you have a minute?“ asked the stranger, who was reading beside girl on a park bench. The girl was startled, but when she turned to the stranger, she immediately felt in love. „ Yes I have minute“ answered the girl and she gave a smile to man. „ I know we just met, but you are the most beautiful girl on the world Do you have time on this special day?“. Chapter 2

But reality, it would look different.

It's a classic rainy day and an average pretty girl is sitting on a park bench and thinking about everything. Her thoughts are very deep when suddenly something almost comes off the bench. she looks to the side from which the impact came and sees a rough, fat man who looks like Quasimodo.

He looked at her with a defiant look and said, "Move." The girl was astonished and disgusted. She hadn't encountered such a stench in a long time.

However, it could handle, the man was dragged by aggression, which overcame even the stench. The girl sat in a hurry for a while and then decided that she would rather spend the rest waiting for the bus standing up.

Chapter 3

After a while, she got on the bus and wanted to go home. There were a lot of people in pairs on the bus, who were in love, and she thought she would end up alone on Valentine's Day. When she got off the bus and wanted to go home, she said she had to go to a cafe. She sat down at a table in a cafe and ordered a cappuccino.

She wondered why she was alone when a beautiful man entered the cafe. He went straight to her, so she smiled at him, hoping he would be lucky this time. The man came to her and asked her „Do you have a minute?“ The girl replied with a smile „yes I have a minute.“ She expected the man to ask her if she wanted to be with him for Valentine's Day, but the man only asked what time it was. The girl was disappointed at 13:30 and the man went away. The sad girl finished her cappuccino, paid, and headed home with her head bowed.

Chapter 4

The girl walked sadly home, seeing Valentine's shops and Valentine's events in restaurants all around her. She decided to go to a store and buy something for herself. She bought lots of chocolate, a bombshell, and Valentine's Day candy. She wasn't so bad on the way home but it still wasn't the same she was sad not to spend Valentine's Day with them.

When she was walking down the street, she ran into a dog sanctuary and walked in. One of the dogs totally charmed her with his beautiful eyes. She bought that beautiful golden retriever and went home, glad she wouldn't be alone on Valentine's Day. This story was real it doesn't always end they lived happily ever after.
